15. (Unclassified - NDL) LIAISON I called Connie Carmichael, Senate Foreign Relations Committee staff, to make sure she had received a copy of the Agency publication entitled "Indonesia - 1965, The Coup that Backfired" that we had sent to her last week. 19. (Unclassified - THW) LIAISON Called John Ryan, in the Quincy, Mass. office of Representative James A. Burke (D., Mass.), regarding a letter from the Congressman to the Inspector General concerning a former Agency employee. The former employee had asked the Congressman to determine if he could have his former CIA employment converted in some way so as to use it as creditable service in a reserve unit which the former employee wants to join. I explained the impossibility of such action and Mr. Ryan asked that we send him a letter on the matter. [redacted] Deputy Inspector General, will write the letter. [redacted]

17. [] LEGISLATION I met with Messrs. Ted Fafaglia and Doug Barrett, on the Minority staff of the Subcommittee on Intergovernmental Relations, Senate Government Operations Committee, regarding the prospects for S.2925, Senator Edmund S. Muskie's (D., Maine) zero-base budget review bill--what measures we should take to ensure that our interests regarding open budget, budget authorization, GAO access to Agency information, and information to be included in the zero-base review are properly addressed. (See Memorandum for the Record.)

18. [] LIAISON Mr. Leon Green, Mitre Corporation, called to request a copy of the Agency publication entitled, "Estimated Soviet Defense Spending in Rubles, 1970-1975." I told Mr. Green that that publication was available through the Document Expediting (DOCEX) Project, Exchange and Gifts Division, Library of Congress, Washington, D.C. 20540. Mr. Green thanked me for this information.

19. [] BRIEFING/OPERATIONS I took a call from Bob Flaten, State Department, who said Bill Ashworth, Senate Foreign Relations Committee staff, still wanted to see papers describing the relationship between the Agency and the design subcontractor for the []. He also wanted a status report on where we stand. After checking with [] I said we expect to sign the contract on 26 May 1976 and that the contract itself was the best description. We would show the contract to our oversight committees if that was their desire, and presumably would have no objection to showing the contract to State's oversight committees since we were only the executive agent in this case.

20. [] LEGISLATION Called Jim Markwood, in Representative Elford Cederberg's (R., Mich.) office, to discuss certain aspects of the Congressman's joint intelligence oversight committee bill, H. J. Res. 945.

21. [] LIAISON Called Chuck Meissner, on the Senate Foreign Relations Committee staff, and made final arrangements for his talk to an Intelligence Process Course tomorrow morning at Headquarters.
